

Students' Dress Code

Dear Parents

This is to get you familiar with the students' Dress Code at Bridges Academy Schools. We expect and highly appreciate your commitment. Please take the following guidelines into your serious considerations:

1. School's administration fully understands and tolerates miscellaneous incidents due to some urgent reasons and will take no actions accordingly.
2. School's administration will notify any students' parent who is not wearing the uniform 3 consecutive times.
3. School's administration will NOT tolerate any unjustified violation.
4. Colored boots, jackets or other clothes are prohibited. Only black, white, grey shoes are allowed. Black and blue plain jackets are the only colors allowed.
5. Hair dying for both girls and boys are prohibited. Hair should also be cut appropriately and neat.
